PALMETTO DOCTORS HONORED FOR SERVICE

Dr. Marc Morganstine, vice president of medical education at Palmetto General Hospital in Hialeah, was named "Family Physician Educator of the Year" at the recent Florida Society of The American College of Osteopathic Family Practitioners annual convention in Orlando.

Dr. Nancy Culp, a third-year family practice resident at Palmetto General, was honored as the Outstanding Family Practice Resident of the Year.

This is the first time two physicians from the same hospital have received both awards since the Society started more than 30 years ago, according to its president, Dr. Joseph DeGaetano.
